

- *Click on “Forum”, which is on the menu on the left, under the “Forum and Chat”*
- *A popup window will be open in front of you. On the menu on the top-right, click-on “Register”*
- *Click on “Agree” to accept the privacy rules and register filling the blanks*
- *Please remember that the username and the password requested in this registration form are your personal username and password. It is up to you to decide them.*
- *After the registration click on “Submit”*
- *After the registration you have to wait for the approval of your submission by the Administrator.*
- *The registration is necessary only the first time you enter in the Forum. The second time you’ll only have to insert your Username and Password.*
- *When you’re in the forum, just click on the topic to see the articles.*
- *To leave a message or to reply to an article, use the pencil and the paper which are on the right of the topic’s title*

*To create a new topic, click on the “Pink Folder” called “New Topic”*
